PORCH JAZZ PARADE

SATURDAY
JUNE 21
12-4 PM

Starting at The Mansion, and making its way down Chatham & York St to the Skeleton Park Arts Festival, the fourth annual Porch Jazz Parade offers a series of performances by many of Kingston's top jazz musicians. Porch Jazz is a fun romp through the streets with pit stops for concerts along the way. Let the sounds of The Heavyweights Brass Band lead you along the parade route, and feel free to bring an instrument and join in the joyful noise. At each location, local jazz ensembles will play a half-hour set—dance in the streets or bring a portable lawn chair and relax. Family friendly!
